

### **Transportation Notes from First Student:**

1. To qualify for district-provided transportation, students must meet the following requirements based on the walking distance from home to school:

Grades K-5	1 mile
Grades 6-8	1.5 miles
Grades 9-12	2 miles

2. For transportation questions or problems, please call Pupil Services at 762-8118. If you are moving, please bring proof of your new address to the student's school or to Pupil Services at 98 Oak Street. It will generally take two business days to process changes, but it may take longer during the first few weeks of the school year.
3. Transportation services are a privilege that can be suspended or revoked if actions by the child create a safety hazard or endanger other passengers.
4. For safety purposes video cameras have been installed on some of our buses. This has been found to be an effective way to improve behavior on buses.
5. Be aware that students will be dropped off at bus stops whether parents are at the stop or not. In the event that you are not at the stop to meet your child when they get off the bus, it is a good idea to have a backup plan and discuss it with your child.
6. To obtain transportation to childcare, a new request form must be completed before each school year. If you have not yet submitted a request for the coming year, please do so immediately. Please come in to 98 Oak Street to fill out a form or call 762-8118 to request a form via email. ***Requests received after August 15<sup>th</sup> may not be processed in time for the start of the school year.***

### **Bus Pass Information:**

All bus passes for qualifying students will be distributed at their individual buildings in September.

### **High School Students:**

Any High School Student with a High School Bus Pass may ride the BC Transit Regular Bus lines between the hours of 7AM to 9AM and 2:30PM to 5:00PM.

If you want to purchase a bus pass because a high school student isn't eligible for a bus pass, you may go to any Weis Market or the BC Transit Junction to buy a pass. If you have questions or complaints about the BC Transit buses, please call 778-1693 or 763-4464 or [www.ridebcstransit.com](http://www.ridebcstransit.com)

### **Middle and Elementary Students:**

Middle school and elementary school students take the First Student buses. First Student will allow students to ride the first week of school without bus passes. By the end of the first week, all students who are eligible for a bus pass should be given one at the school they attend.

If you have any questions, please call 762-8118. See below for more details about the bus routes. You may also call First Student directly about route information at 723-7971.
